WARRANTY

BL-IP

9V Irrigation Controller

Geolocation of your controller

The location of your controller can be recorded on our application MySOLEM.

Open your valve box less often

The BL-IP is remotely manageable with your smartphone or via MySOLEM.com.

Robust & IP68 100% waterproof

Classified IP 68 (water and dust resilient).

Monthly Water Budget

Set your water budget (0 to 200%) per month and the system will apply your settings automatically each month.

Easy maintenance

Low battery alert, permanent programming save.

Asynchronous mode

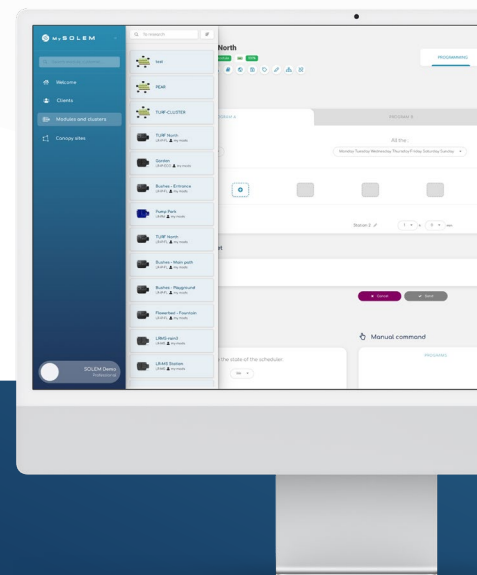

Thanks to the asynchronous mode, program on your computer via MySOLEM.com and transfer your settings to your controller at short range with Bluetooth via the MySOLEM app.

MySOLEM

MAKE IT EASY

Program your irrigation easily with MySOLEM app.
Free & optimized for most devices.
